A book that can be received by mail. "Wake up" a voice sounded from afar. "Wake up" "Whoa! what!" "Wake up!" they repeated insistently over his head. "Wake up! Wake up!" It was still dark in the room, and it took him a moment to realize what had woken him up. And when I realized, I couldn't even move right away. His body ached, as if he had just returned from hard work. He remembered how last night, after dinner, lay down on the sofa to watch TV.
